FOR IMMEDIATE RELEASE

INNOVATIVE PEST CONTROL PRODUCTS [IPCP] LAUNCHES www.antcafe.com

At www.antcafe.com, you can find information on 'green pest control', 'IPM' and the latest scientific research on ants and ant control using baits.

The new site makes it easier to find product information, training materials, education links, industry-related links and distributors that carry our products.

For additional information on **IPCP**, **Gourmet Ant Bait Gel**[®], **Gourmet Liquid Ant Bait**[®], **Gourmet Liquid Ant & Roach Café Ready-to-Use Bait Stations**, **Ant Café**[®] **Bait Stations**, **ANTOPIA**[®] and the **KM AntPro**[®], please visit us on the Web at www.antcafe.com.

###

If you would like more information on this topic, or to schedule an interview with **Alan Bernard**, please call **561.483.4997**, or email alan@antcafe.com.
