

Through the years...

Smart Pest Management Professionals Have Trusted INNOVATIVE PEST CONTROL PRODUCTS

20+ YEARS

GOURMET ANT BAIT GEL®

- Highly attractive, heat tolerant ant and roach bait that won't run
- Providing value with lower cost and up to 50% more gel per box than other ant gels
- No demonstrated resistance to our active ingredient

20+ YEARS

ANT CAFÉ® REFILLABLE BAIT STATIONS

- Keep ant baits working longer by reducing desiccation.
- Keep customers' homes and businesses cleaner and safer for children and pets.
- Keeps odors and contaminants from your baits
- Allows better bait placement using sticky tapes and locking ties

20+ YEARS

GREEN WAY® LIQUID ANT BAIT

- 'Honeydew Formula' formulated to mimic the ant food produced in nature by aphids and scales
- Active ingredient works slowly, allowing it to make its way all the way to the queen for *true colony elimination*
- Specially formulated to retard the development of mold for up to six months

9+ YEARS

BUG BAR®

- Keep both ant and roach baits working longer.
- Keep customers' homes and businesses cleaner and safer for children and pets.
- Helps baits work better by keeping odors and contaminants from the bait.

THANK YOU!
